Logos

Sub-Logos

Personal Logo Design

The logos of Brandi's Dreamful Art are for the company that specializes in graphic design and illustration. The cat represents the creator's favorite animal and symbolism of curiosity. The tail of the cat is also paintbrush to represent creativity in art and design. The font for the logo and sub-logo is Arlette for a whimsical and simple look. The two kinds of violet have contrast and represents creativity and creator's favorite color.
