

Cimazing Drive-In App and Icons

The application (app) is for the drive-in movie business, Cimazing Drive-In which has the 1950s/60s theme. The primary font for the logotype is Monotype Corsiva for the old-fashioned serif style to match the theme. The body copy is Kefa typeface for the bold and vintage style. The icons were created with pen tool on Adobe Illustrator. The colors for the app is blue (night sky and truthworthiness), yellow (stars and idealism), two types of violet (starry background and imaginative) and white (light contrast).
